DID YOU KNOW

The Feast of the Archangels

September 29 in the Roman Catholic Church is the Feast Day of the Archangels St. Michael, St. Gabriel, and St. Raphael. A traditional name for the day is Michaelmas, originating before the three separate feast days for the archangels were joined into one. The feast is deferred when it lands on Sunday, the Lord's Day. Nonetheless, every year this date reminds us of God's great love for us and the greater family of spiritual beings He has created for His glory and for our protection and salvation. Saints Michael, Gabriel, and Raphael, pray for us!
